

Sweet kiss for Pirilampos children

A selection of cakes was delivered by Sandra Howarth (pictured) from *Kiss FM* radio station to the children at *Pirilampos* children's home in Albufeira on Christmas Eve.

One young boy even had his own special cake made to accommodate his medical requirements.

The delivery of cakes, supplied by occasionsdining.com

follows the radio station's Christmas gifts appeal to help out the region's underprivileged children, which organisers described as a "huge success".
